Please let me know whether you or the ASAs that you supervise have any cases where Cook County Sheriff's Police Officers Rivlin, Star #629 or Valdes, Star #258 are witnesses. Regarding felony cases, MIS is conducting a search of CRIMES to determine whether either officer is a witness on any pending felony cases. Once I have the results of that search, I will forward the results to you. If your unit does not have a computer case management system, please have your ASAs check their files and see whether they have any cases on their call where the officers are witnesses on a pending case.

If you or your ASAs have any questions, please call me. Thank you.
